

LIVES OF COLOUR LEADERSHIP, DIVERSITY AND INCLUSION TRAINING ON RACE

The Lives of Colour leadership, diversity and inclusion training course on race has been designed to facilitate conversations on race within your organisation. Through our 5-day course, we equip you with the tools to unlearn (un)conscious biases, address structural oppression, and take action to promote equity of voice in your organisation. Together with your commitment, our 5 module framework will allow you to embrace a culture for everyone in your organisation to thrive.

Course Breakdown

Module 1	Unconscious Bias
Module 2	Insight: Organisational Racial Competence
Module 3	Investment: Action for Improving Race Equity
Module 4	Innovation: Good Practice
Module 5	Reflection

Course Outcomes

By the end of the training, your organisation will be equipped to:

- Understand, detect and address (un)conscious biases.
- Examine and tackle structural shortcomings.
- Create action points to promote equity and equality.
- Incorporate diversity to foster creativity and inclusivity.
- Increase involvement and recruitment among ethnically and culturally diverse communities.
